**Applying for Financial Aid  
Special Edition  
2006-2007  
Financial Aid News**

**[www.fafsa.ed.gov](http://www.fafsa.ed.gov)**

**Announcing the Financial Aid Application Process for 2006-2007:**

To apply for financial aid, complete the Free Application for Federal Student Aid (FAFSA) or Renewal FAFSA.

Apply over the Internet [www.fafsa.ed.gov](http://www.fafsa.ed.gov). This application includes any of the following semesters:

**Summer 2006      Fall 2006      Spring 2007**

**New Students – Secure a “PIN” (Personal Identification Number):**

A “PIN” is a student’s official I.D. and is needed to:

- 1) Electronically Sign a FAFSA or Renewal FAFSA
- 2) Make Electronic Corrections to a FAFSA
- 3) Electronically Sign Loan Entrance and Exit Interviews
- 4) Electronically Sign Loan Promissory Notes

To apply for a “PIN” (for both a student and/or a parent) follow these easy steps:

1. Go to [www.pin.ed.gov](http://www.pin.ed.gov), click on “APPLY FOR A PIN”
2. Continue on until you see the “PIN Application Confirmation Page” – print this screen.
3. A “PIN” will be sent to you by mail or by e-mail by the Federal Government

**Continuing Students – Reactivate Your PIN:**

Click on “ACTIVATE MY PIN” at [www.pin.ed.gov](http://www.pin.ed.gov)

*Reminder: A PIN # is a valuable password to federal records. It should be protected.*

**The 2006-2007 Deadline Date for Campus-Based Financial Aid:**

**Continuing Students: March 17, 2006**

In order to be considered for “campus-based” financial aid, continuing students must meet the March 17, 2006 deadline date. “Campus-based” financial aid includes Federal SEOG, SDS Grants in Nursing and Pharmacy, Federal Work Study/America Reads, Federal Perkins Loans and Health Professions Student Loans. This deadline date means that a finalized, completed FAFSA or Renewal FAFSA must be received by L.I.U.

If you miss this deadline date, you can still apply for a Federal Pell Grant, a Federal Direct Student Loan(s) or a N.Y. State TAP (until the end of April, 2007).

**Entering Students** - check with the Office of Student Financial Services for rolling deadline dates for the campus-based financial aid programs.

**Hints on Completing the FAFSA or Renewal FAFSA:**

- Absolutely get a PIN # before completing the electronic FAFSA
- Complete 2005 Federal Income Tax returns early and also urge parents to do so. If family income for 2005 was from non-taxable sources, provide the amount of annual benefits received in that year.
- L.I.U.’s Brooklyn Campus school code is **004779**
- To apply for Federal Work Study (FWS), America Reads or the Jump Start Program, answer “Yes” to item # 28.
- Students, who were single in 2005, but are now married and completing the FAFSA, must report spousal income.

**IMPORTANT REMINDERS!**

Generally, no items on the 2006-2007 FAFSA should be left blank. However, these questions are critical and **MUST NOT** be left blank or they will delay the processing of your FAFSA.

1. Question # 31 requires information on any convictions for possessing or selling of illegal drugs
2. For Questions # 57 through # 64 all dependent students must provide the last name, social security number, and date of birth of their parent(s)
3. All students should complete Worksheets A, B and C. If a question on the worksheet does not apply, put an amount of “0” (zero).
4. If prompted to complete asset questions for student or parent, answer these questions.
5. If you completed the FAFSA without an actual PIN, print out the “Signature Page,” sign it (and if dependent have a parent sign it), and mail it to the federal processor *immediately*.

**Going to Summer School - SUMMER LOAN Information:**

For students wishing to apply for a summer loan, the Office of Student Financial Services must have valid and complete electronic federal data on file at least one month prior to the end of the loan period (e.g. by the end of July for summer 2006 loan funding).

**Minimum Registration of 6 Credits  
In-Person Requests Only**

## **Verification – What Every Student Should Know:**

Each year the federal government randomly selects about 1/3 of our students for a process called “verification.” If selected (an asterisk “\*” appears on the SAR), a student must provide the Office of Student Financial Services with copies of 2005 income information (federal income tax returns, W-2 forms and the 2006-2007 Verification Supplement). This Supplement collects household and non-taxable income information on the student’s family, and it is available on our Website at [www.brooklyn.liu.edu/financialaid](http://www.brooklyn.liu.edu/financialaid) (Brochures, Forms and Other Links).

Other documentation may also be requested that pertains to the way the student completed the FAFSA or Renewal FAFSA (read the comment section of the SAR). Students must complete the verification process in a timely manner, but no later than one month prior to the semester’s end.

Once a student’s electronic information is received, the Office of Student Financial Services will also notify the student of the documents needed for verification by sending a “Missing Information Letter.”

Verification must be completed in order for the student to meet the deadline date of **March 17, 2006** for campus-based financial aid.

## **The Tuition Assistance Program (TAP):**

All New York State residents should apply for TAP and complete details on this grant program and application process are available at [www.hesc.com](http://www.hesc.com). In 2005, NYSHESC (New York State Higher Education Services Corporation) unveiled “TAP on the Web!” the online TAP application at [www.tapweb.org](http://www.tapweb.org). When completing the FAFSA, the confirmation page will give students a link to the “TAP on the Web!” application for applying for a TAP Award.

**All TAP applicants** must secure a TAP PIN (which they create using their own password, etc). It will be created immediately at [www.tapweb.org](http://www.tapweb.org) and the student can access his/her TAP application, and confirm the information or make corrections. Continuing students should have previously created a TAP PIN and may continue to use the same PIN. Once completed, HESC will process the TAP application and notify the student of an award. If the student provides an e-mail address, this notification will be via e-mail. If not, regular mail notification will be sent.

Remember, as is the case with any on-line form, it is the student’s responsibility to check the pre-filled data. Be sure to follow the on-line instructions provided.

**Any** student who secures a TAP PIN can go on-line to make updates to their application information, change school codes, etc. L.I.U.’s school code is **0398**, and the Bursar’s Office can assist students in this process.

As in all past years, when HESC has questions regarding a student’s status or income, they will contact the student, who has **45 days** in which to respond.

## **Special Instructions for Special Students:**

**Pharmacy Majors and Students in Combined B.S./M.S. Degree Programs** – You are an “undergraduate” student until the Registrar changes your official classification to “graduate” (generally the summer before the 5<sup>th</sup> year). Before you answer “Yes” to question 49 on the FAFSA confirm with your Department that you will be declared a graduate student by summer.

**Friends World Program Students** – You must use the Brooklyn Campus code of 004779 on your FAFSA for 2006-2007.

**Nursing Students and Pharmacy Students** – If you wish to be considered for the Scholarship for Disadvantaged Students (SDS), or for a Health Professions Student Loans (Pharmacy majors) you must provide your parental information on the FAFSA, regardless of your independence status.
